RAF Woodvale Flying Order Book

Section A Part 1

1. **Record of Changes.** Section A Part 1 is used to record details of each change to the RAF Woodvale FOB, providing a brief description of changes to orders and instructions on how to amend printed copies of the document. Each change document should be recorded within the table below, with the change record document filed within paper copies between this sheet and Section A Part 2. Users of electronic (PDF) versions of this FOB **should** be aware that the latest insertions to Section A Part 1 may not be incorporated.

RAF Woodvale Flying Order Book

Section A Part 2

1. **Special Flying Instructions and Advance Notice of Amendment (Tutor).** This section is used to publish Special Flying Instructions (SFI) and Advance Notice of Amendment (ANA) for documents within the Tutor T1 Aircraft Document Set (ADS). SFI are normally temporary flying orders, or flying orders which are pending full incorporation within the Flying Order Book. Users of electronic (PDF) versions of this FOB should be aware that the latest insertions to Section A Part 2 may not be incorporated.
